- For Reducing Crop Risks
- For Cutting Soil Losses
- For Boosting Legume Yields
- For Pre-Sold User Preference

WHY NITRAGIN SELLS EASIER . . .

- ✓ Extensive farm magazine advertising in more than 75 state and national papers.
- ✓ NITRAGIN sales talks are broadcast to farmers in 50 widespread radio areas.
- ✓ Direct NITRAGIN mailings call on farmers right in their own homes.
- ✓ Wall posters and metal signs help dealers remind farmers at point-of-sale.
- ✓ Educational bulletins and pamphlets sell the value of legumes and the importance of inoculation.

DEALER EXCHANGE POLICY

NITRAGIN is sold outright, at regular terms, by jobbers who serve you. NITRAGIN is not consigned. It is sold on a return basis. Unsold quantities should be cleared for credit immediately after season ends. Any stock clean-up effort on the part of dealers is in their own self-interest. Returns are costly for all.

CARTON LOT NITRAGIN ORDERS PROVIDE BETTER SERVICE MORE ECONOMICALLY

Any added convenience in handling and shipping helps us serve you better. For best possible service, order in full carton lots. See other side of price list for number of units packed in each carton. Order only what you can use. Avoid costly returns.
